Own a Piece of Paradise

Now is the right time to buy buildable land plots in Greece as the Greek Parliament has voted a law that has classified many areas as forest or natural reserve without any permissions to build. There is shortage of available plots and the prices are raising.

There are many factors to consider before buying land in Greece. Our advisors at Milestone Invest are here to make sure your investment is safe.

Golden Visa

This residency by investment visa is issued to non EU citizens who make a significant contribution to the Greek economy by purchasing land or real estate worth at least € 250 000.

The Greek Golden Visa offers you and your family members 5 years residency as well as free travel in the Schengen Zone. After 7 years of residency, it is possible to apply for Greek citizenship with consequent access to the EU free market and visa free travel to more than a hundred countries. You can live, work, and invest in Greece.
